I have read and will support OHCRA's Code of Ethics, as updated by OHCRA from time to time, and understand my membership standing in OHCRA and/or Hui Nalu may be negatively affected for violations.

Code of Ethics from OHCRA Race Rules: We are all responsible to promote good sportsmanship and fair play in the activities in which we engage. This means observance of these race rules as well as generally accepted rules of behavior and all governmental laws. Paddlers are required to avoid situations where a canoe is deliberately rammed, where there is deliberate interference with another crew, and situations where assaults and abusive language are used. Coaches are required to support and help enforce these race rules and avoid any circumvention of these rules. Officials and officers are required to do their best to be fair and not be biased in their decisions and carrying out their duties. Any club members that are found drinking at our events will result in the entire club being asked to leave the event and no longer being allowed to compete for that day's events. This includes all paddlers, friends, and family. HUI NALU NO ALCOHOL POLICY: It is against State law and City and County of Honolulu regulations to drink alcoholic beverages at any public parks and beaches. Violations of these rules are unacceptable and the Hui Nalu Board will take action. If any Hui Nalu member, or their family member or friend, is found to be drinking alcoholic beverages that club member will be responsible for paying whatever fine is imposed on the club.
